Notable features:

Numbers 883 and 877 have been formstoned.

The 2½ story houses may be earlier in the period than the rest but the entire group dates from before the Civil War and some are before 1851. Well cared for, some very stylish -- see 885 in particular, with its low living room windows, and elegant facade.

Entire group deserves protection and assistance.

Environmental context:

An unbroken terrace and facing an unbroken one. Lombard Street traffic is horrendous environmental handicap to bear but these people have done it and should get every assistance to maintain their high standard. More street trees the size of the two that are there should be planted and sidewalks repaired.
